

WORKSHEET 1 · Money and work

ages 6-7
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- Money is the coins and the notes we use to get things.
- Money is earned by working: it does not appear by magic.
- First what I NEED (food, clothes, a home); then what I WANT (toys, sweets).

1. Count the money

$$2 \text{ €} + 2 \text{ €} + 1 \text{ €} = \text{_____ €}$$

$$5 \text{ €} + 2 \text{ €} = \text{_____ €}$$

$$1 \text{ €} + 1 \text{ €} + 2 \text{ €} + 2 \text{ €} = \text{_____ €}$$

2. Draw a circle around the things we NEED in order to live

water sweets coat video game bread home teddy medicines

★ CHALLENGE AT HOME

Ask at home: what jobs do you do? Together, make a list of 3 things you buy every week because you need them.

★ ESPAÑOL & PORTUGUÊS CORNER (CLIL)

WORKSHEET 2 · Buying and selling

ages 7-8
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- The price is what a thing costs: you can see it on the label.
- If you pay too much, you get change. Always count it!
- The person who buys gives the money; the person who sells hands over the thing.

1. Work out the change

It costs 3 € and I pay 5 € → I get _____ € back

It costs 4 € and I pay 10 € → I get _____ € back

It costs 7 € and I pay 10 € → I get _____ € back

2. Complete the shopping

The bread costs 2 € and the juice 3 €. Together they cost _____ €.

If I pay with a 10 € note, I get _____ € in change.

★ CHALLENGE AT HOME

Keep a shopping receipt and look for this: how much did each thing cost? Did you pay by card or with coins? Was there any change?

WORKSHEET 3 · Saving: my piggy bank

ages 8-9
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- Saving means keeping part of your money instead of spending it all.
- The piggy bank eats first! Put some money away as soon as you get it.
- Saving is easier with a clear goal: your dream!

1. My savings plan

I want: _____ and it costs _____ €.

Every week I will save _____ €.

I will get it in _____ weeks.

2. True (T) or false (F)

Saving means keeping part of your money. _____

It is better to spend it all on the first day. _____

Having a goal helps you to save. _____

★ CHALLENGE AT HOME

Draw your savings goal on a small piece of paper and stick it on your piggy bank. That way you will not forget your dream!

WORKSHEET 4 · The bank

ages 9-10
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- The bank keeps money safe and it also lends it.
- The cash machine only gives out the money that YOU have saved in your account.
- People who take out a loan pay the money back and a little bit more. PINs are secret.

1. Work out the interest

Leo keeps 100 € and the bank gives him 2 € of interest → now he has _____ €.

Ana keeps 50 € and the bank gives her 1 € → now she has _____ €.

2. True (T) or false (F)

The cash machine gives free money to anyone walking past. _____

The card pays with the money in your account. _____

You can tell your PIN to your friends. _____

★ CHALLENGE AT HOME

Go with an adult to the cash machine and watch what they do. Without looking at their PIN, because it is secret!

WORKSHEET 5 · The street market

ages 10-11
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- Profit = what I sell for – what I spent.
- If lots of people want something and there is little of it, the price goes up.
- If nobody wants it, the price goes down so that it can be sold.

1. The lemonade stall

We spend 3 € on lemons and sugar. We sell 7 glasses at 1 € each.

We take _____ €. Our profit is _____ €.

2. Does the price go up (U) or down (D)?

A very rare sticker comes out and everybody wants it. _____

A rainy day: nobody wants ice creams. _____

There are very few strawberries and everybody wants them. _____

★ CHALLENGE AT HOME

Set up a mini street market at home: put a price on 5 toys and "sell" them to your family. What "sells" best? Why?

WORKSHEET 6 · Choosing well with my pocket money

ages 11-12
Finance for Life ·
Primary

Name: _____ Date: _____

★ REMEMBER

- Money does not stretch to everything: choosing one thing means giving up another.
- The 3 piggy banks: SPEND (little things for now), SAVE (your goal) and SHARE (helping).
- Good shoppers think before they decide.

1. Share out the pocket money between the 3 piggy banks

Mario gets 10 €. He wants to spend half, save 3 € and share the rest.

SPEND: _____ € SAVE: _____ € SHARE: _____ €

2. Think and write

You have 5 €. The cinema costs 5 € and the comic costs the same. If you choose the cinema, you are giving up: _____

★ CHALLENGE AT HOME

Get 3 jars or little boxes, decorate them and write SPEND, SAVE and SHARE on them. Next time you get your pocket money... share it out yourself!
